Craig,

I just spoke with Jose....it was the coasties. Can you let them know I will be up there tomorrow with one. Sorry for the confusion.

Ralph,

I have no idea where this came from. There is no cellular service at the site, and all three of us have MiFis in the event our hotels don't have internet. Unless this came up between Steve and Jose after we parted ways...Steve, Jose?

Good Evening Gentlemen,

Jose mentioned that you might be in need of a MIFI? Are you looking for one of the EPA issued ones or something else?

Thanks,
